Easing Education.

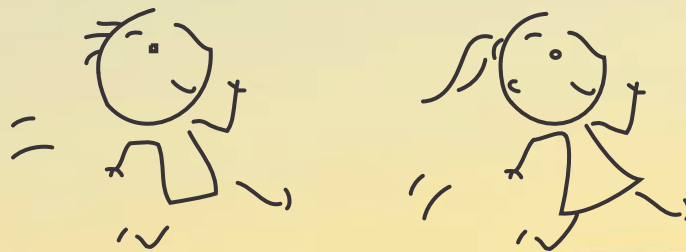

NEED FOR DIGITAL ACADEMIC MANAGEMENT

Like any other industrial system, Schools have a heavy need to maintain high volume of academic data for Students, Staff and Curriculums. Hence a need for effective digital data management system is crucial for an effective academic management.

Capturing and managing the academic data such as Curriculum, Student & Teacher Profiles, Exams & Results, etc., is crucial and providing an easy storage and retrieval of data is what to expect from an effective data management system. Reporting is another aspect which needs to be as robust as possible.

PenPencilEraser is incredible school management software for schools that aids in controlling, coordinating, communicating among the Management, Teachers, Students and Parents. Bestow your school the pride, privilege, possession of this distinctive school management software explicitly designed for Smart Schools. It ensures utmost safety and security as all the data are encrypted and protected against the unauthorized access. With the routine backup facility the fear of data loss is eliminated.

Manage your school stuff Smartly, Simply and above all Securely!

YOUR SCHOOL NEEDS IT.

WHY HOSTED SOLUTION?

Subscribing to our Hosted Solution, your school can enjoy hassle-free server maintenance, all latest updates and technologies free of any additional cost.

IN THE CLOUD

Your PENPENCILERASER accounts are hosted in Cloud servers, for a consistent and High Availability of the servers. Also, the Data Centers are sited in the nearest geographical locale, thus the data travels fast through the shortest distance.

NO SERVER MAINTENANCE NO INSTALLATIONS REQUIRED

Hosted in our cloud servers, we take care of your server maintenance, data backups, etc., while your school can preserve the peace of mind. PENPENCILERASER provides you Web UI, hence, you needn't install or troubleshoot any software. Just open the browser and go with your work.

ANYWHERE ACCESS

With Hosted solution, Administrators, Staff, Principal, Teachers, Students and Parents can access the information on the go from anywhere, even with Mobiles & Tablets.

WEBSITE IN FRONT OF PPE

PENPENCILERASER places your Website in the front of the application enabling an easy and instant Website information management. A separate school website seems redundant.

ENJOY FREE SCALING UP FEATURES

PENPENCIL ERASER improves synchronously with latest technology. Schools enrolled enjoy free upgrades and features every subsequent month.

DATA SECURITY & SSL

PENPENCILERASER is hosted individually for each school without any common framework. Transactions are strongly encrypted to prevent unauthorized tracking elsewhere.

MULTIPOINT BACKUPS

Backups occur up-to-the-minute preventing any loss of data. Furthermore, data are backed up in different geographic spots as a disaster recovery measure.

ALLIED WEB HOSTING

We incorporate your school Website into your PENPENCILERASER account. A separate Web hosting is never required.

EXPERT TECHNICAL SUPPORT

PENPENCILERASER has its own Technical Support team to jump into situations when you need them. Remote support is given through Skype or Mikogo.
